

NOTICE OF PUBLIC MEETING

American Structurepoint, Inc., acting on behalf of the Indiana Department of Transportation (INDOT), will convene a virtual public information meeting for the State Road (SR) 1 Roadway Improvement Project (Des 1601101) on **Thursday, November 12, 2020, from 6-7 p.m. online.** Please register by November 11, 2020 to attend the meeting by going to this website <https://www.structurepointpublic.com/sr1stjoe> or calling Leah Perry at (317) 547-5580 if you do not have internet access and need a call-in option. Once registered, you will receive an email with a link and instructions on how to access the Microsoft Teams meeting.

The purpose of the public information meeting is to offer all interested persons an opportunity to review and comment on the project. The project is located on SR 1, from 4.30 miles south of SR 8 to 3.12 miles south of SR 8 in the town of St. Joe, DeKalb County, Indiana. The need for the project is evidenced by the age-related deterioration of the existing pavement, curbs, and sidewalks. The town of St. Joe is also experiencing drainage issues along the project corridor. Additionally, some curb ramps along the project corridor do not appear to meet current Americans with Disability Act (ADA) standards. The purpose of this project is to address the deterioration of the existing pavement, curb, and sidewalks along with inadequate drainage along the SR 1 project corridor.

Additionally, a Virtual Open House is available to view the meeting presentation, exhibits, and provide comments on the proposed project at your convenience. The Virtual Open House can be accessed at this webpage: <https://www.structurepointpublic.com/sr1stjoe>. Although there will be opportunity to submit comments following the virtual public information meeting, we highly encourage you to submit comments and questions prior to the virtual public information meeting. All comments are requested by December 3, 2020.

With advance notice, INDOT can provide special accommodation for persons with differing abilities, limited English speaking ability, and/or persons needing auxiliary aids or services such as interpreters, signers, readers, or large print. Should special accommodations be needed please contact Leah Perry, Environmental Specialist, American Structurepoint, Inc., at (317) 547-5580, or email lperry@structurepoint.com by November 6, 2020.

For any questions or comments, please contact Leah Perry, American Structurepoint, Inc., at (317) 547-5580, or email lperry@structurepoint.com.
