

## NOTICE OF PUBLIC MEETING

American Structurepoint, Inc., acting on behalf of the Indiana Department of Transportation (INDOT), will convene a virtual public information meeting for the State Road (SR) 827 Roadway Improvement Project (Des 1601102) **Thursday, November 19, 2020, from 6-7 p.m. online.** Please register by November 18, 2020 to attend the meeting by going to this website <https://www.structurepointpublic.com/sr827fremont> or calling Leah Perry at (317) 547-5580 if you do not have internet access. Once registered, you will receive an email with a link and instructions on how to access the Microsoft Teams meeting.

The purpose of the public information meeting is to offer all interested persons an opportunity to review and comment on the project. The project is located on SR 827, beginning 1.06 miles south of SR 120 (approximately 850 feet south of McSwain Drive) and extending north 0.93 mile to the intersection of SR 827 and SR 120 in the town of Fremont, Steuben County, Indiana. The need for the project is evidenced by the existing deterioration of the pavement, curbs, and sidewalks. Additionally, some of the curb ramps along the project corridor do not appear to meet current Americans with Disability Act (ADA) requirements and drainage within the project limits is insufficient. In addition, the curves located north and south of the SR 827 and Swager Road intersection are tighter than current standards allow. The purpose of this project is to address the deterioration of the existing pavement, curbs, and sidewalks, ADA non-compliance, roadway drainage issues, and the curves north and south of the SR 827 and Swager Road intersection.

Additionally, a Virtual Open House is available to view the meeting presentation, exhibits, and provide comments on the proposed project at your convenience. The Virtual Open House can be accessed at this webpage: <https://www.structurepointpublic.com/sr827fremont>. Although there will be opportunity to submit comments during the virtual public information meeting, we highly encourage you to submit comments and questions prior to the virtual public information meeting. All comments are requested by December 10, 2020.

With advance notice, INDOT can provide special accommodation for persons with differing abilities, limited English speaking ability, and/or persons needing auxiliary aids or services such as interpreters, signers, readers, or large print. Should special accommodations be needed please contact Leah Perry, Environmental Specialist, American Structurepoint, Inc., at (317) 547-5580, or email [lperry@structurepoint.com](mailto:lperry@structurepoint.com) by November 13, 2020.

For any questions or comments, please contact Leah Perry, American Structurepoint, Inc., at (317) 547-5580, or email [lperry@structurepoint.com](mailto:lperry@structurepoint.com).
